

**REMARKS**

Claims 1-45 were pending in this application. No claims have been canceled or added. Hence, claims 1-45 remaining pending in this application.

The claims have been amended in order to more fully claim the invention. Specifically, independent claims 1, 14, 28, and 37 have been amended to more broadly claim an aspect of the invention wherein a change in the integration application environment is detected. The preamble of these claims was also amended to clarify the integration application environment. Support for the amendments may be found throughout the application in general and at least on page 1, lines 7-10 and page 6, lines 5-14. The amendments to the dependent claims were made in order to maintain consistency with the independent claims. No new matter was added.

Favorable consideration of this application as presently amended is respectfully requested.

Respectfully submitted,

JENKENS & GILCHRIST  
A Professional Corporation
